SUMMARY

Motivated and detail-oriented Computer Science student in my fourth year at North Eastern Mindanao State University (NEMSU), with hands-on training in hardware troubleshooting, technical support, and graphic design. Proven ability to manage time effectively, work with clients, and adapt to dynamic environments. Eager to contribute technical and creative skills in a professional setting while continuing to grow through hands-on experience.

WORK EXPERIENCE

Computer Technician Intern - Miles Computer Ventures **Jun 2026 - Aug 2026**

- Performed software installation and system configuration on desktop and laptop units for clients.
- Delivered technical service support, diagnosing and resolving hardware and software issues to minimize downtime.
- Assembled and disassembled desktop computers, including component installation, upgrades, and troubleshooting.
- Calibrated and installed printers, ensuring proper connectivity and consistent print quality.

Lead Verification Associate (Part-Time) - Neuroplan **Jul 2026**

- Checked and verified leads against source date to confirm whether contact information was still active and available.
- Cross-referenced records to identify outdated, invalid, or duplicate leads and updated their status accordingly.
- Marked verified and available leads as “good”/qualified, ensuring an accurate list for follow-up.
- Maintained ogranized tracking of daily verification progress using spreadsheets.

EDUCATION

Bachelor of Science in Computer Science **Aug 2023 - Present**

North Eastern Mindanao State University (NEMSU)

- Developed foundational knowledge in computer science, multimedia technologies, visual communication, and software design.

SKILLS

Technical Skills: Hardware Troubleshooting & Diagnostics, Computer Assembly & Disassembly, Preventive Maintenance of Computer Systems, Printer Calibration & Installation
Design Tools: Canva, Adobe Photoshop, Figma
Software & Productivity: Microsoft Office Suite, Git/GitHub
Data Management: Lead Verification, Data Validation & Cleaning, Record Auditing, Spreadsheet Tracking
Soft Skills: Communication, Team Collaboration, Time Management, Adaptability, Leadership

CO-CURRICULAR ACTIVITIES

Marshal – Association of Computer Science Student (ACSS) **Jun 2025 - Jun 2026**

North Eastern Mindanao State University (NEMSU)

- Demonstrated leadership and coordination skills in a student organization setting.
- Collaborated with peers to support the Computer Science community on campus.
